Description

The Hyundai HY1000Si is the ideal suitcase generator to take on camping, caravanning and boating trips, it's lightweight, quiet and easy to use making it very popular.

Hyundai HY1000SI generator can be used for charging batteries in caravans or motorhomes, powering a TV or Laptop and lighting.

With inverter technology, the HY1000SI gives a pure sine wave output, so there are no spikes that cause damage to sensitive electronic equipment like laptop computers and TVs.

Features

- Includes 1 Litre of Generator Oil
- Includes 13a to 16a Adaptor
- Inverter Generator Technology
- Eco Throttle system
- Low oil shutdown
